bitfarm GmbH is international owner of the trademark "bitfarm".

Basic protection of trademarks and works of bitfarm GmbH and permitted usage conditions

The "bitfarm-Archiv"-Logo is permitted to be used, if it directly leads to a download of the product "bitfarm-Archiv DMS GPL-Edition". Otherwise, all trademarks and works of bitfarm GmbH is not permitted to be used except on explicit written permission of bitfarm GmbH (owner). Exceptions from that are terms of a license, higher contract assignments of one of the following purposes.

If the logo "bitfarm-Archiv" (shown above) is used, it may only be proportionally scaled. The background color can be freely chosen, as long as the writing can be read complete and easily. Other changes are prohibited. The appearance has to be clear and undistorted and of good quality.

In case of a permitted usage of the trademark "bitfarm" and of the logo shown above, these may only be used in the shown form and color (without quotation).

Terms of use for press relations

For press relations, the use of the trademarks und works of bitfarm GmbH is allowed, when the reporting is truthful and neither denigratory on products and services of the bitfarm GmbH, nor discriminating to minorities, nor violent to the law. Quotations must have an indication of source.

Terms of use for registered partners

Partners of bitfarm GmbH, who have signed a partner contract with bitfarm GmbH, are permitted to use trademarks, logos and works for purpose of advertising for products of bitfarm GmbH and related or additional products or services of the partner.

Also, the partner is allowed to use additional information, product-flyers, image and video material for the purposes listed above, that he has gained access through his partnership and for these the usage is not prohibited in the text and / or accessory document. The partner must not use these works if they are explicit assigned to a special purpose or limited to a special group of people.

bitfarm GmbH permits their partners the use of text or text parts of their websites for advertising purposes for the products of bitfarm GmbH and for additional or related products of the partner only.

If such text or text parts are used, the product name "bitfarm-Archiv" or "bitfarm-Archiv DMS" has to be mentioned in correlation. If this is used in the internet, a hyperlink to <https://www.bitfarm-archiv.de> (for German language text) or <https://www.bitfarm-archiv.com> (for English language text) has to be set in correlation.

Every use of text or text parts of bitfarm GmbH have to be in a clearly reference to the products and services of bitfarm GmbH. If other products or services lead the text, the use of text or text parts of bitfarm GmbH is only allowed, when text or text parts of bitfarm GmbH are not used distinctive.

Misleading use of text, trademarks and other works of bitfarm GmbH is strictly prohibited, in particular if it leads to wrong assumption of the copyright owner, names, purposes and usage of the product(s) or business behavior of the bitfarm GmbH.

The use of images and layouts of the websites of the bitfarm GmbH is not permitted unless written approval of the bitfarm GmbH. Renaming of works of the bitfarm GmbH is generally prohibited.

The hereby given permission for use of trademarks and works of the bitfarm GmbH is valid only within the run-time of the partner contract and expires at its end. The bitfarm GmbH reserves itself the right to revoke this permission partly or in whole at any time and without any named reason. Besides this described permission, no other rights are granted, neither spoken nor unspoken. The business value, which is produced by using the trademarks and works of bitfarm GmbH, remains exclusive property of the bitfarm GmbH.
